

Dear patient,

Effective January 1, 2020 More Smiles Wisconsin fees for service will be changing. Below you will find the new fees based on income. Additionally, we require private pay patients to update proof of earnings once per year. Please supply us with an updated pay stub or social security statement. If you are unable to provide one of these, we can also accept your most recent 1040 federal tax return.

### Fees for Service Based on Income
